Dear Mr. Weisberg:

Thank You for the books - I am almost dumbfounded - It is all you say it is & more - Henry J. Taylor - Right Wing syndicated Columnist is a good break thru. Appeared here in Citizen Journal - More impact coming from his political persuasion - unless he wants to clear himself while still time - motive ~~No~~ No matter - it was printed - & read - Also Campbell - Latest issue - very good - Borden Novel named nationally first time. CBS Scope - another break thru - too bad no publicity & put in prime time. But, hopeful. Gov. Rhodes, Ohio now says Novel must testify on Pres. ~~Assassination~~ "Murder" here in Cal, Tex (Woods) trip to Virginia - tees in with CIA & ~~CIA~~ General Cabell. Have you sent H. J. Taylor - W. W. I & II. Please

3/ do. Please send also one to

Mr. Ernest A. Cady
693 Yaronia Dr. N.
Col (43214) O.

(Send to: Home not Dispatch)

(You can say I asked you to send it - if you like)

He is book review Editor for largest most influential Dispatch here. He is old (semi-retired work from home) & status Quo - But not a complete lost cause, We adopted our ~~[illegible]~~ little girl from his wifes-Adoption agency. He did return my call - when I asked him to investigate yours "Dell" book now ~~banned~~ distributed here.

(Read outside States too. 1/a)

I think it is important for Columbus to hear the truth of W.W. II - He can do it - & just bought it - Novel is here - & being protected here. If he doesn't pay for it - I will (Book Crook) - I wish I had yours autograph in books - Your research is fantastic - Your eyes must be shot. (& nerves & body)

Please reread paragraph on Oswald asking for ACLU. Lawyer - There is a glaring conflict in logic there - I feel - he was stalling playing

part of left wingers at this juncture - even though arrested. Therefore, he did that to throw suspicion on Communists - not because he really wanted ACLU. to a Right winger - ACLU = Left Wing = Commie - etc. He was therefore playing a role & accomplished same —

I hope you follow my thinking - & pardon my presumption.

Enclosed more clippings - Nourse - reportedly still being "protected" in Columbus. Incidently just discovered his lawyer - Weiner - lives in our immediate neighborhood.

My admiration for you — is beyond discription — You must be read & heard — NOW. Thank you for everything - Hope you can read this -

Sincerely
Jon Garfield

We have 3 cats - 2 Siamese - 1 alley - & 1 dog - Tawny.

one - Please use
Xtra to send to
Taylor or Cody —
I will send more
next month or pay
day - I just couldn't
except your generosity —
after realizing what
